

*Have you ever had an “AHA moment”?
Have you ever experienced the joy of Judaism?
Have you struggled with how Judaism fits into your life?*

Come hear fellow congregants stories at

**Selichot Story Telling Evening
Temple Beth Shalom’s own “MOTH”**

**Saturday, September 16th—7:30pm
at Temple Beth Shalom**

Traditionally, Selichot is a time for study and to prepare us for the soul searching and reflection of the coming High Holidays. We are asking congregants to share their special experiences with the TBS community.

In addition to hearing our stories, we will be eating delicious desserts for a sweet year!
