

Marissa Malett – Lead Teacher

Hello Families,

I am thrilled to begin my new role as Lead Teacher at TBS. Temple Beth Shalom is such a wonderful Congregation. I have experienced so much support and nurturing from everyone. Not many of you know me, but I have enjoyed my role as a teacher in the Religious School, as well as running the Youth Programs.

I am also excited about teaching Kitah Alef, Bet and Gimmel. I enjoy working with children of all ages. I believe that it is important to meet the different learning needs and styles of all students.

We are aware of concerns about the coronavirus and I want to assure you that during this difficult time, my team and I will have the best practices in place to keep everyone safe and happy. I am working with the Response Task Force, the Education Committee and the 2020 and Beyond Committee to develop plans that will address the safety needs of the children.

The teachers have been preparing for a fruitful Religious School experience. Some of these plans address synchronous and non-synchronous learning options, as well as new student assessments and an enriched curriculum. More specific details will be shared with everyone soon.

I am always available to discuss any ideas, suggestions, and individual student needs. I can be reached at leadteacher@tbsmahopac.org.

Best,

Marissa Malett
